

MIREN MARAÑÓN*Production Designer/ Art Director*

With two features and over a dozen short films as Production Designer, and a credit as Sculptor on Guillermo del Toro's Oscar winning "Pans Labyrinth" under her belt, Miren's work is now beginning to get wider recognition. To these credits can be added commercials and promo work in Japan and RSA, Flynn and Red Bee Media in the UK and theatre productions in Spain and Italy. Added to that background, her expertise in technical draughting, model making, budgeting and set design along with fluency in English, Spanish and Italian equally (dual-nationality), makes Miren an ideal choice for producers in the UK, Europe and world-wide.
